Report number: YB-2025-529

Magnesium citrate

Product name		Anhydrous magnesium citrate		MFG.date		Oct. 08,2025	
Model number		TMCA		Shelf life		2 years	
Batch		251008066		Testing date		Oct. 11,2025	
No.	Test item	Specification	Detection method	Result	Evaluation		
1	Appearance	White powder	USP	White powder	Qualified		
2	Identification A	Passes the test	USP	Passes the test	Qualified		
3	Identification B	Passes the test	USP	Passes the test	Qualified		
4	Magnesium(on the dried basis), %	14.5-16.4	USP	15.3	Qualified		
5	Calcium(on the dried basis), %	≤1.0	USP	0.03	Qualified		
6	Loss on drying, %	≤2.0	USP	0.97	Qualified		
7	pH (50mg/ml)	5.0-9.0	USP	6.80	Qualified		
8	Chloride, %	≤0.05	USP	<0.05	Qualified		
9	Sulfate, %	≤0.2	USP	<0.2	Qualified		
10	*Arsenic, ppm	≤3.0	ICP-MS	0.021	Qualified		
11	*Iron, ppm	≤200	ICP-MS	2.97	Qualified		
12	*Lead, mg/kg	≤5.0	ICP-MS	<0.02 (LOD=0.02)	Qualified		
13	*Cadmium, mg/kg	≤1.0	ICP-MS	<0.002 (LOD=0.002)	Qualified		
14	*Mercury, mg/kg	≤1.0	ICP-MS	0.041	Qualified		
15	Heavy metals, ppm	≤50	USP	<50	Qualified		
16	*Total plate count, cfu/g	≤50000	USP	10	Qualified		
17	*Coliforms, /0.1g	Absent	USP	Absent	Qualified		
18	*Yeast&Molds, cfu/g	≤100	USP	10	Qualified		
19	*E.Coli, /1g	Absent	USP	Absent	Qualified		
20	*Pathogenic microorganism(including salmonella), /10g	Absent	USP	Absent	Qualified		
21	Particle size(through 100 mesh), %	/	Sieving	98.5	Qualified		
22	Particle size(through 200 mesh), %	/	Sieving	64.1	Qualified		
23	Particle size(through 60 mesh), %	/	Sieving	99.3	Qualified		
24	Bulk density, g/ml	/	Internal method	0.67	Qualified		
25	Tapped density, g/ml	/	Internal method	0.88	Qualified		

NO: YZ-JL- 46[A1]

Test result	Inspection base on	☒ Qualified	☐ Unqualified
Note	1. Packaging location: ☒ 1# position ☐ 2# position ☒ Not applicable 2. The results of items with * are extracted from the periodic inspection data. 3. Expiry Date: Oct. 07, 2025 4. Source of origin: Citric acid, magnesium oxide, magnesium carbonate. 5. Kind of source: Mineral. 6. Country of origin: China.
